EXPERIENCE THE FUTURE OF LUXURY LIVING!

City of Art and Heritage LAHORE

Welcome to Lahore, the historical city of arts, heritage and architecture. Lahore has been the preferred choice and destination of Mughal Emperors and conquerors in the past due to its important geographical location and rich cultural background. Lahore is the cultural capital of Pakistan and is the country's 2nd largest city. Lahore is one of Pakistan's wealthiest cities and is a center of modern urbanization.

Now with the arrival of Lahore Smart City, Lahore will be further embellished and ornate with the aesthetic and modern architecture of this landmark master planned project.

LAHORE SMART CITY

ON LAHORE RING ROAD &
M11 - LAHORE - SIALKOT MOTORWAY,
NEAR M2 MOTORWAY

The splendour of architecture, the grandeur of metropolitan living and the smart lifestyle of the contemporary era are the building blocks of Lahore Smart City. The mega project reflects state of the art town planning, diligent designing as well as aesthetic landscaping which leaves one spellbound and mesmerized. Crafted for the future lifestyle, keeping in mind green living and almost zero carbon footprint, Lahore Smart City is a marvel of modern construction, design and civil engineering. Lahore Smart City after its completion will become the 2nd Smart City of Pakistan after Capital Smart City.

LSC - ADDING VALUE TO LAHORE

The project offers landmarks that changes the scale and scope of lifestyle development in the region.

THE DEVELOPER

Lahore Smart City (LSC) is being developed in association with Habib Rafiq (Pvt.) Ltd, Future Developments Holdings (Pvt.) Ltd and Surbana Jurong (Pvt) Ltd, which are top real estate developers, master planners and asset management companies working across the globe, aiming to develop contemporary state of the art smart cities which are not only dedicated to give a futuristic luxury living but also to provide equal economic opportunities.

Through strategic investments, innovative urban planning and life cycle asset management, Lahore Smart City will create integrated communities that embody international standards of sustainability in accordance with UN SDG Goals 2030, with a strong commitment to quality.

OUR MEMBER COMPANIES

OUR SUCCESS STORIES

CAPITAL SMART CITY

Pakistan's first ever smart city is Capital Smart City. The project is catering the growing housing demands in the twin cities of Islamabad and Rawalpindi. A landmark housing project at M2 Motorway near New Islamabad. International Airport, which also falls on the eastern route of CPEC. Capital Smart City is designed by internationally renowned master planners, architects, designers and consultants, a successful and futuristic model providing ample opportunities for sustainable growth and development in Pakistan.

ROYAL ORCHARD HOUSING

MULTAN - SARGODHA
SAHIWAL

Royal Orchard Housing projects are located in Multan, Sahiwal and Sargodha. These well renowned real estate developments have successfully changed the landscape of real estate development in the region. Royal Orchard projects have boasted the quality of master planned communities by introducing modern housing trends and international standards of town planning, engineering, aesthetics, landscaping and homes designing. Our professional and experienced team of town planners, architects, engineers and marketers are behind the phenomenal success of these Housing projects.

PROPOSED MASTER PLAN OF LAHORE SMART CITY

YOUR NEW DESTINATION ON LAHORE RING ROAD & M11 MOTORWAY

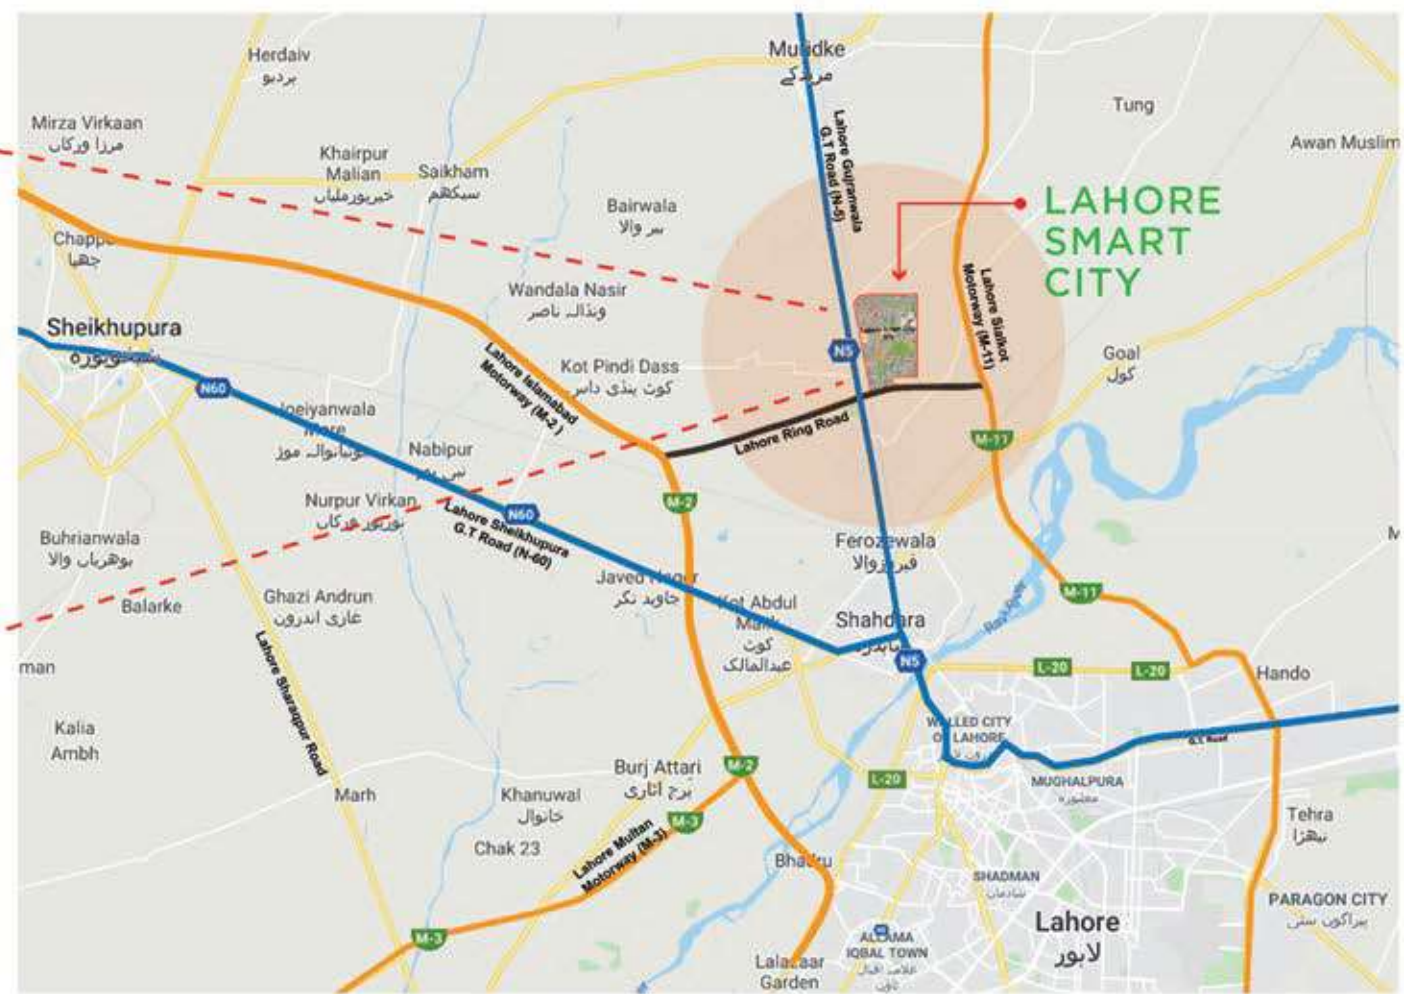

Excellent Location
Excellent location along Lahore Ring Road, M11 Motorway and M2 Motorway

Growing Urbanization & Economy
Growing Urbanization & Economic Opportunities in Lahore Region

4 minutes' drive
4 minutes' drive from M2 Motorway

18 minutes' drive
18 minutes' drive from DHA Lahore

18 minutes' drive
18 minutes' drive from Lahore International Airport

With the emerging economic opportunities in the region, LSC is poised to establish itself as a regional center offering new business opportunities and accommodating the influx of population by creating a new center of commercial, economic, health, educational, recreational, housing facilities.

The existing natural elements surrounding the site provides an opportunity for scenic vistas and potential green corridors.

LAHORE SMART CITY FRAMEWORK

Lahore Smart City is a futuristic master plan development. The concept of smart city revolves around a comprehensive urban management model which encourages international standards of efficiency and control on the one hand, and the best practices of inclusion and participation on the other. It leverage and harnesses modern technology to enable the smart city to function more reliably while providing sustainable solutions to its residents.

SMART ECONOMY

DIVERSITY OF JOBS

- ▶ To become the first commercial center in the region; neighbouring the New International Airport.
- ▶ To attract international business and investors.
- ▶ To create variety of job opportunities in commercial and service sectors.

SMART HOUSING

CONVENIENT & QUALITY LIVING

- ▶ To design a resilient social infrastructure.
- ▶ To set a model of human centred contemporary urban design.
- ▶ To introduce the concept of communal based sustainable urban development in Pakistan.
- ▶ To provide the residents of smart city with modern technology driven swift access to a wide range of urban facilities.

SMART ENVIRONMENT

EFFICIENT RESOURCE MANAGEMENT

- ▶ To be the most eco-friendly development project in the region.
- ▶ To promote integrated solid waste management and responsible usage of the resources.
- ▶ To provide adequate and reliable water supply.
- ▶ To ensure availability and reliability of power supply on 24-7-365 basis.

WORLD CLASS INFRASTRUCTURE

- ▶ To provide efficient and sustainable transportation facilities, modern infrastructure to increase productivity and regional growth.
- ▶ To ensure that well-connected networks are established for road users, pedestrians, cyclists and future mobility needs.

PROTECTION OF CULTURAL HERITAGE

- ▶ To become a culturally rich city with a vibrant multicultural environment.
- ▶ To integrate ethnic and cultural diversity in the architecture of smart city.
- ▶ To become a center for community with different social & cultural needs.

CLEAN & GREEN

- ▶ To conserve natural resources and ensure minimal loss of natural areas.
- ▶ To become a picturesque city, full of natural vistas and sceneries.
- ▶ To provide an eco-friendly environment, convenient for long walks and hikes and jogs.

CENTRAL BOULEVARD

18-LANE,
400FT WIDE

SEAMLESS GREEN SPACE CONNECTIVITY

Master Plan integrates the existing rich natural features through eco-spines and seamless recreational trails. It also takes forward and integrates the existing land use and environmental value map to improve the urban environment by infusing a variety of parks and public open spaces.

20m² Open Space/person
Including a variety of sports, recreation, culture, community and garden facilities

600 Kanal Central Park
Integrated with the Grand Mosque and Financial Square as tourism destination

20 Miles Recreation Trail
Along natural landscape and eco-spines within a seamless network

**EXPERIENCE
THE FUTURE
OF LIVING**

A NEW DESTINATION TO LIVE, WORK, LEARN & PLAY

With the aim to develop strategic growth areas and attract future investments, the concept for LSC captures the radial growth pattern with a large centrally located business district and well-distributed sub-centres and neighbourhood centres in periphery. A township model is proposed for LSC, guiding the master plan to facilitate traffic flow, offer diverse and affordable choices and nurture vibrant communities.

High to low density residential and commercial plots with convenient public facilities planned across various neighbourhoods.

SAFE & SERENE ENVIRONMENT

Lahore Smart City is the serene area where one can be close to nature. Greener landscape gives a refreshing and peaceful experience.

In free time this is the area to indulge in cafés and restaurants. The residences provide a direct belonging to nature.
